

YOUR GUIDE TO
incredible sex
WITH THE OCEAN

Hello, sexy!

You hold the key to gentle waves of vibration.
This manual will get you started with must-knows
and hot tips about your new toy. So, let's
meet the **OCEAN!**

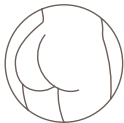

For more languages, check:
www.FUNFACTORY.com/manuals

YOU NEED
2 AAA BATTERIES TO
start the fun!

Wash me! Lube me up!

Wash before and after every use, including the first. Use unscented soap or toy cleaner. Toy is 100% waterproof. Don't forget water-based lube!

Butt-safe for butt fun!

CLE
PL

Power me!

Your toy takes 2 AAA batteries.
Insert them like this:

Play with me!

To turn on, press **+**. Hold until you feel vibration.

For higher speeds or patterns, click **+**.

For lower speeds or a previous pattern, click **-**.

To turn off, press and hold **-**.

Toy has 6 speeds and 6 rhythms.

AN
AY

VER
EAT

Take me with you!

For worry-free travel, just pop out the batteries and store them separately!

Make sure to pack an extra set if you're going off the grid.

More about the OCEAN, if you

GENERAL INFO

Adult toy made of body-safe silicone. This product is not for children and not a medical product. Packaging is recyclable; please use appropriate facilities for disposal. Please note that slight color deviations on the product or packaging are a normal result of production.

DON'Ts

Do not open the toy using force. Do not use sharp objects on the toy. Do not throw toy or batteries into fire. Do not leave in direct sunlight. Do not operate the toy if you notice unusual heat build-up, mechanical malfunctions, or abnormalities (discoloration, unusual appearance, deformation). If the toy catches fire, do not extinguish with water.

really want to know!

Do not use silicone-based lubricant, oils, or lotions with the toy (including suntan lotion or sunscreen, lip care products, essential oils, coconut oil, and edible oils of all types). Those can cause irreversible damage to the toy that is not covered by warranty.

TECHNICAL INFO

Storage and operating temperature $0^{\circ}\text{C} - 40^{\circ}\text{C}$, max. surrounding temperature when operating 40°C . Variable surrounding temperatures (for example when carrying) could lead to light condensation under certain conditions. Please then wait a few hours until the toy has adapted to the surrounding temperature before operating.

Removing the batteries before storing can prolong the life of both your batteries and your toy.

WHAT'S NEXT?

Love the OCEAN and can't
wait to try another toy?
We think it pairs well with...

All suggestions available at
www.FUNFACTORY.com

STRONIC G

Loving that G-spot sensation and want more? This hands-free thrusting toy delivers.

MANTA

Hold this vibrating stroker at the base of the penis during intercourse. It turns you into the vibrator.

LAYA II

For a full-coverage vibe that cups your hotspots, you need the LAYA II. Use the OCEAN internally while the LAYA II covers your vulva with vibration.

VOLTA

Want to swap in some extra strong vibration? This toy's tapping tips make its rumbling motor feel even more powerful.

YES, NO, MAYBE...

Figure out what you and your partner are interested in trying. Answer the questions separately, then compare and have fun!

I'd like to...

YES

NO

MAYBE

use the OCEAN outdoors

get spanked while I use it

try role play

eat sushi off your chest

be tied to the bed

have shower sex

get a dirty nickname

watch porn with you

make a sex tape

try the OCEAN in my butt
